

Summer love in Cambridge Maryland

Is kissing on the river under Midnight stars
While making secret wishes you know would not come true

Summer love in Cambridge Maryland

Is Saying and Doing things as one as
Your summer love got hotter

Summer love in Cambridge Maryland

Is knowing there will always be a girl in Cambridge
Your will never forget and a summer love that will not last

Summer love in Cambridge Maryland

Is Cherry trees, river breezes, salty air, crabs cakes
And girls with sun kissed hair

Summer love in Cambridge Maryland

Begins with eating
Crab cakes with cheeses and apple vinegar
While holy rollers shout and dance

Summer love in Cambridge Maryland

Always ends with beautiful memories to keep you warm
In the autumn years of your life
